

WEDDINGS

AT THE STONEMASONS ARMS

54 Cambridge Grove, Hammersmith, London, W6 0LA

OUR VENUE

The Stonemasons Arms is a beautiful, traditional Edwardian pub located in Hammersmith, ideally close to many transport links and hotels.

While a pub day-to-day, we offer the opportunity to take over the whole building for weddings and private events.

MAKE OUR SPACE YOURS

Ground Floor Dining & Snug

Our venue is laid out over two floors: the ground floor holds between 40-120 guests in an L-shape, ideal for zoning different parts of your special day. For example the ceremony can be held in our exposed brick snug, whilst the main dining area is ready for the wedding breakfast. While dining, the snug can transform into a DJ or band area, without disturbing guests.

MAKE OUR SPACE YOURS

First Floor Function Room

The function room upstairs seats 35 or hosts around 60 standing for a more intimate setting. Alternatively it can be used as a breakout room for younger & older guests, or cloakroom and dressing area.

CEREMONY

There are several options for a ceremony. We are not licensed for a civil ceremony, so some people chose to have the official ceremony at one of London's many registry offices then hold an unofficial version with us.

Our brick snug is located down one end, and beautifully frames a ceremony. Chairs can be located all facing the same direction towards the ceremony.

For larger parties, we can locate the ceremony in the corner of L-shape, with guests located on both sides with a mix of seating and standing.

We don't have in-house celebrants, but can assist with sourcing one if required.

ADAPTING THE SPACE

The pub can be adapted to fit your special day with certain limitations. We allow you to bring any floral displays, add decorations, lights or candles throughout and can remove or cover certain items, such as advertising boards.

We cannot remove artwork from the walls, and don't allow sparkly confetti.

ORGANISING YOUR DAY

You will have a single point of contact to plan your wedding from start to finish, with a live document shared to clarify and confirm all details, timings and costings.

Previous to pubs, owner Charlie ran a catering company hosting events at the Royal Palaces, corporate events and celebrity parties such as Elton John's White Tie & Tiara Ball.

General Manager Henry is the main point of contact on the day, alongside his very capable team of staff.

FOOD

There are many different options to suit most budgets and styles of wedding, from very relaxed to more formal. We design everything around the individual couple.

We can provide a wide variety of canapes on arrival or after the ceremony.

The wedding breakfast could be a buffet style, or a more formal sit-down dinner, with menus that could include anything (within reason) including sourdough pizza to traditional wedding fare such as beef, chicken or vegetarian options.

We allow guests to bring their own cake or happy to help source one and we are able to cater for all dietary requirements.

We would consider outside caterers to use our facilities for a fee and subject to a service agreement with them.
